 DESIGNED AND MADE IN
NEW ZEALAND

Coast New Zealand

Coast New Zealand allows you to live outdoors much as you would indoors, without sacrificing either comfort or style. We value thoughtful design, enduring materials, understated style and attention to detail. All Coast products are designed and made in New Zealand, allowing us to maintain the strictest control over quality.

Enduring Comfort, Timeless Style

With the Off-the-Hook™ collection, almost everything you need to live well outdoors is right where you left it.

Your cushion, mat, deck-chair and towel, all hanging from the free-standing or wall-mounted board.

The Off-the-Hook collection is both durable and desirable and all elements work beautifully together.

Fabric

The Off-the-Hook collection features Sunbrella® brand fabrics, which offer unparalleled outdoor performance and durability.

Sunbrella® brand fabrics are guaranteed* highly water and fade resistant, are easy to clean and will not promote mould or mildew.

* Subject to Sunbrella's limited 5 year warranty.

Timber

Timber frames are made from solid New Zealand 'clear wood' pine, preservative-treated and painted to provide belt-and-braces durability and enduring good looks.

Our timber carries the FSC certification for sustainable forest management, while our locally-developed paint system carries 'Environmental Choice' accreditation.
