*For the  
design  
minded*

This made-to-order Arch Lean mirror will have any recipient enchanted with more than just their reflection, thanks to its archway design and Scandinavian-inspired simplicity. Made in New Zealand and available in a variety of shades, this mirror leans nonchalantly against a wall and adds a design-led touch to the space.

*For the  
wanderer*

Quality luggage is something people rarely buy for themselves, which is why it is an excellent present. Coast's durable Cabin Bags are designed as the perfect overnighters and are made in New Zealand from durable marine-grade materials.

*For the  
wave  
chaser*

Surprise the surfer in your circle with a Big Sun surfboard. Designed to suit all conditions and experience levels, these boards are meticulously handmade in Mount Maunganui, and promise many summers of swell-chasing.

*For the  
chic  
sleeper*

Created by entrepreneur Natalie Norman, By Natalie is an elegant new local sleepwear brand that will have you happily swanning about the house in your PJs — even if guests come calling. Rendered in soft neutrals, these versatile pieces make a lovely gift for the stylish sleeper.

*For the adventurer*

Reimagining the classic chilly bin, a summertime staple, local brand Napoleon Goods has come up with a sleek, lightweight design for all of your beach pursuits, boating days and camping trips. Available in tones like sage green, coconut white and lemon yellow, these chilly bins are essential for keeping food and drinks perfectly chill — a crucial component of any successful day out.

This pool area features the Hybrid collection by B&B Italia from Matisse ([matisse.co.nz](http://matisse.co.nz)).

## THE BEST Poolside Pieces

Imagine emerging from a refreshing dip and collapsing onto an elegantly-appointed chaise longue or recliner. Or better still, enjoying a poolside tippie from a perfectly-positioned bar cart.
